<i>Principals Report</i>	<ol style="list-style-type: none"> 1. Report on asymptomatic Covid -19 testing in schools. We will be given a 2 week notice before the date if our school is chosen. After school/evening voluntarily for students, staff and parents. First school around us to have it is Buckhorn. 2. Science Room Reno will be done this summer. Will include a modern design for learning. 3. Staffing for next year is in the early stages. They have been asked to staff the school with the idea that there will not be a virtual school next year. To take into account all the students who are in virtual school will be back in the school next year. 4. All Staff are being diligent and strict on mask wearing and zones. We all want September to come and be open and free. Since there have been a number of cases at schools around us and we are being strict because we want to keep Chemong open. 5. March 12 is a board holiday. 	Debbie

	<p>6. Spirit week March 15-19.</p> <p>7. March 22-26 Edmison Heights School has challenged our school staff to keep track of their steps. They are looking forward to this. They are playing for something that hasn't been decided yet.</p> <p>8. Teacher funding – grants have had a few that have come in. If they don't spend it by March 31 that the money comes back to Council.</p>
