### 2. **April Follow Up:**

- *Yearbook money:* If we use \$3000 we have \$6000 remaining; next year \$1000 goes to playground and \$500 nutrition bin, then \$4500 to start next year. We made approx \$4000 in fundraising, this year started with \$30,000.
- if council were to subsidize yearbooks would we still be able to make ends meet next year?  
Will we be able to keep this trend going year after year? Not starting off well for next year.
- this year we will keep out yearbook contribution from school council

3. **Principals report** - nothing to add

4. **Teachers Report** - Everyone doing a good job online

5. **Treasurers Report** - Will be updated

6. **Chairs Report** - Virtual Meeting with trustees and school council Thursday, May 6
